

SUMMER MENTORING GROUP

From June 24th through August 26th, PSHDC is offering a 10 week mentoring group for children (age 8-14) and teenagers (age 15-19) every Thursday evening from 6-7:30 PM

Youth will be paired with teenagers and challenged to work on fun activities, while creating a final project to present to the group. Through mentoring, participants will not only have fun, healthy activities to keep them busy through the summer, but will also:

- ❖ Benefit from having or being positive role models
- ❖ Improve their social skills
- ❖ Learn better communication skills
- ❖ Increase self confidence and self-esteem
- ❖ Increase their sense of belonging with peers
- ❖ Increase patience, empathy, and understanding of other's differences
- ❖ Use their strengths and talents to cope with their weaknesses or limitations

Space is limited so contact Suzanne Robison now at (215) 540-5860 X35 to arrange an appointment to determine if this group is appropriate for your child or teenager! The cost of this group is \$40.00 per week for each participant (This includes the cost of materials for projects).
